

Brendon Stud - Terms & Conditions

1. Mares must arrive at stud without hind shoes.
2. Mares will be wormed on arrival and regularly thereafter and charged to the owner accordingly
3. Passport **must** arrive with the mare at stud.
4. In the event of a mare or foal requiring veterinary assistance, this will be done at our discretion although every effort will be made to contact the owner.
5. Any vices and breeding or behavioural problems must be notified to the stud.
6. Veterinary Package for routine AI work available on application.
7. Brendon Stud and our employees accept no responsibility for visiting horses. No responsibility whatsoever can be accepted for accident disease or theft, and mares can only be taken on this understanding; it is the owner's responsibility to provide their own insurance cover. Mares **must** be insured. All liability claims, damages, costs, loss and expense of any kind whatsoever are hereby expressly excluded.
8. A twitch or sedation may be used at the discretion of the stud groom/vet to ensure safety for all concerned.
9. Keep charges are in respect of stable or field keep. Farrier, dentist, vet etc are not included and are at the stud discretion.
10. Any supplementary feeding or care that the stud feels the mares or foals need will be carried out, and the owners charged accordingly.
11. It is in the interest of the owner to vaccinate their mare against flu and tetanus. It is up to individual owners to decide if they want their mares EVA and/or CEM tested, it is recommended but not compulsory by Brendon Stud.
12. For ordering semen for postage, please order by 10am if possible, 1pm at the absolute latest. Please remember also that our stallions may be at a competition, in which case we collect the semen before leaving for the show, this can be very early! and I can keep a dose if I know it may be needed.
13. For mares coming to visit us, please do not bring any rugs or bandages etc, unless under special care. We will provide a headcollar and a necessary rug, this is to avoid misplacement!
14. Mares will be inseminated with fresh semen from stallions on site.
15. Mares that are being inseminated with a non Brendon Stud stallion will have a livery keep surcharge.
16. Terms are Not in Foal, Free Return – The stud must be notified in writing from your vet that the mare is not in foal within 28 days of Insemination.
17. Free returns must be taken within three seasons, valid to any of our stallions to the value of your stud fee paid. If you require a more expensive stallion you can top up your free return.
18. The Stud groom reserves the right to refuse any mare thought unfit for breeding.
19. Stud accounts must be settled before the mare leaves the stud - with **no exceptions.**
