Sunshine at Pyecombe brought out the riders young and old to the annual Summer Championship Show. Over 80 riders qualified at shows throughout the year for this show from Pyecombe, Golden Cross, Royal Leisure and Ardingly. Helen McAll and her very fast grey pony Telynau James came through to win the Nederland Novice Championship and came a creditable third in the Teeny Tots Championship. Local rider Amy Inglis arrived at the show in force with her fan club and four ponies qualified for the Harwood Garages Teeny Tots Championship. She stayed very much in focus throughout the class and finished 1<sup>st</sup> and 5<sup>th</sup> with Holly Oaks and J's Junior respectively. Amy kept up her form to win 3<sup>rd</sup> place in the hotly contested Dinnages Garages Junior Jumper Challenge where 12 junior riders kept up the pace in the jump off. Last to go Poppy Newman on Henry was going for all or nothing to win the class but was a second slower than eventual winner Daisy Price and her flying bay pony Minnie. Daisy qualified for this class at Golden Cross EC and we hope to repeat both these classes next year. These classes had super prizes with trophies, medal and rugs to the top 6 in each class thanks to the generosity of Mr. John Taylor and the sponsors.

Poppy Newman's winning streak returned when after a close jump off she took the Tropics Midway Championship. Pyecombe based rider Hannah Logan rode a pleasing round to win the Caretino Qualifier watched by her father Cahel Logan of SLS Services, one of our major sponsors. Eleven riders reached the jump off for the Caretino Intermediate Championship, where Brighton based young rider Perry Phillips-Ede on her bay mare, Such A Lady made all the turns in the jump off to take home the trophy. Several riders stayed till the end of the day for the Darco Open Championship with Poppy Newman's winning run continuing to win her second Championship of the day, just ahead of Harriet Barsham on Racing Stripes who was also second in the Intermediate Championship.

Our very grateful thanks to all our competitors and sponsors.
